Manual of United States surveying - ntc.blm.gov

The Manual has guided the original surveys and resurveys of the Public Lands through the General Land Office, and (since 1946) the Bureau of Land Management, an agency within the United States Department of the Interior. The Manual is directed specifically toward instructing Federal surveyors. However, the principles contained in the Manual on the subject of retracement are an integral part of private surveying in the 30 Public Land States.
