Achieve Find Out Who You

As a fellow psychologist I can attest to the fact that Achieve is written in a factual and scientifically support way. It's basically a mini-course of finding who you are and achieving results that fall in line with your values. This book provides a framework for leveraging your strengths while expanding on your weaknesses.

Achieve: Find Out Who You Are, What You Really Want, And ...

'Achieve' stands out as one of the more refreshing and engaging books I've read in a long time. One of the things I liked most about this book was the philosophy that success (in all areas of our lives) depends on our ability to understand, accept, and integrate all aspects of our personality.
