Auto-Biography This section showcases a particular classic car, discussing its history, success (or lack thereof) as a Classic Car and its driveability (or lack thereof). Here we promise an honest opinion and will tell you the good as well as the bad points about it to help you decide about your next car restoration project.

## **The Story behind Classic Cars**

Alternate usage fundamentally equates Classic car with the definition of antique car as used by the Antique Automobile Club of America, who define an Antique car as "anything" over 25 years old. Thus, in this "broader usage" any car over 25 years old can be called a 'classic car'.

## **Classic car | Autopedia | Fandom**

A classic car is an older car, typically 20 years or older, though definitions vary. The common theme is of an older car of sufficient historical interest to be collectible and worth preserving or restoring rather than scrapping. Organisations such as the Classic Car Club of America maintain lists of eligible unmodified cars that are called "classic". These are described as
