Functionally the amp is 100% but please take note - there are several large marks and gouges in the tolex. Personally, I think it has character and love how it looks like a real rock & roll amp that's seen a LOT of action in its day, but I know that's not for everyone. If you're the kind of person who wants your amps to be in perfect shape, this ...

I recently worked a deal that netted me a tweed Fender Bandmaster. The model designation for this amp is 5E7, which is the classic narrow panel 3x10 bandmaster produced from 1955 to 1960. These are cool amps. The three ten-inch speakers is interesting, and sounds punchy. Of course it is all tube with 5881 power tubes...
