Ive ‘bean’ there, when this place had just newly opened, and the window seats looks very inviting from the exterior; however, the space inside is pretty cramped. Also the not-so-comfortable seating did not help. We ordered the bagel sandwich, which was pretty okay. The service was slow. Visit again? No.

Coffee drinks are made by brewing hot water and, occasionally, cold water with ground coffee beans. The brewing is either done slowly by drip, filter, French press, cafetière or percolator, or done very quickly under pressure by an espresso machine. When put under the pressure of an espresso machine, the coffee is termed "espresso" while slow-brewed coffees are generally termed "brewed coffee."
