Nothing really happens, of course it is all fake, and that shows! The characters are NOT handsome and the story about Betty Blue, a female novelist who tries to solve a "murdermystery" is very thin. This flick even contains 'sex' with two 70+ men and a woman who urinates on a toilet and afterwards has 'sex' on this same toilet!!!

Betty Blue: The Look of Love Underneath its brilliantly colored, highly stylized surfaces, this key work of 1980s French cinema is a heartrending portrait of a woman struggling to both inhabit and reject traditionally feminine roles.

Hollywood films are replete with violence and death, but human sexuality and nudity is basically taboo. One reason "Betty Blue" has a cult status is because of the lashings of nudity, male and female, scattered through the film. For some odd reason, the anglosaxons got all worked up by this, so don't watch this if you're easily offended. You'll see why in the first few minutes, as the film starts with a very realistic-looking sex scene.

Betty Blue (1986) - Plot Summary - IMDb

Betty Blue is venerated on campuses for its anti-establishment, free-spirited, all-you-need-is-love-provided-the-bitch-is-hot stance: the film is a hotbed of classic French passion and anarchic comedy. The novel however, is more in your Bukowski-Miller vein, with its likeable tossbag narrator and occasional moments of hideous self-aggrandisement.

I highly doubt that the French arthouse film 'Betty Blue' (37'2 Le Martin) would have achieved the cult status it now has, without Gabriel Yared's hauntingly atmospheric and very original soundtrack. It is one of most memorable and unique film musical scores I have heard, certainly from a foreign film.
