### How to decomission Blackberry Enterprise Server Express 5 ...

Our Exchange server runs on a new 2008 R2 server. As we will be switching to iPhones in the next 2 or 3 months we hoped to be able to run bes on the older unused W2003 R2 server as a temporary measure. I would still prefer to get it working on W2003 if its possible - If not we will have to install on the exchange server itself. Thanks.
