Science Grade K is an integrated course covering life, earth, and physical science. The consumable Student Edition is organized into 4 units, 1-2 modules, and 2-4 lessons per module. [View Sample](#)

California Inspire Science | K-6

The Solid Earth Module consists of five sequential investigations, each

Get Free California Science Grade 4 McGraw Hill

designed to introduce or reinforce concepts in earth science. The investigations provide students with firsthand experiences with rocks and minerals, and modeling experiences to study changes to rocks and minerals at Earth's surface.

Science / Grade 4

The main California Science Content Standard for a lesson appears at the
