SAP HANA Cockpit - SAP Help Portal

As a British ex-pat living in Brunei, I'm now building version 3 of my home-build/DIY Boeing 737 Sim. With limited resources, postal services, and a very restricted budget. Learning from the previous simulator builds, I'm going for more realism and full scale. Hoping to inspire and allow others to create their sim build cheaply as possible.

Great Guide Plastic Models - How to paint cockpit - YouTube

The best thing I ever did for my humble rig was build a base box with 2X6's. 4 corners and 3 studs underneath, covered with thick plywood makes for a very heavy base. With my frame bolted to this base, one has the comfort of stepping up into the cockpit, and the whole thing feels like it's mounted in cement.

Ultimate Guide To Building Your Own Race Simulator ...
