Steps for Finding your Countax Parts As Countax have been building garden tractors for over 30 years, there are inevitably many different models. We have put together a simple 4 step process to help you locate your model number and year of manufacture to enable you to find your spare parts.

### Countax Tractors - How to find the spare parts you need

"My mission was simple: I wanted the best machine to mow my lawn in all weathers. And that's exactly what I've got with my Countax C60. But I've also ended up with something magical that I didn't envisage at all, and that's the revelation that this garden tractor is making great memories for me and my young family every time I turn the key".

Countax garden tractors are all year-round garden utility vehicles. They are designed to cut and collect wet grass, remove lawn debris, create the perfect striped lawn finish, or tackle the tallest nettles and brambles. With a Countax tractor mower, you can achieve total garden care whatever the weather or season.

### Countax garden tractors are built in Britain for the ...

The C40 lawn tractor is packed full of the features Countax customers expect from a superior riding mower. Fitted with a 97cm (38") XRD deck, it is ideal for tackling gardens of around one acre or where there are issues with access and a narrower deck is required.

**Countax C40 garden tractor for smaller lawns and gardens**

The optional Countax Powered Grass Collector for the A Series tractor has been specifically designed for the British garden. Connected to the tractor's power take-off, a spindle of brushes sweep the grass cuttings from your lawn and into the hopper, even when the grass is wet.
