Crooked Little Heart Anne Lamott

I read Rosie first and really liked it, but "Crooked Little Heart" was a novel that I wanted to crawl inside and live in for a while. Lamott writes about things of the spirit, things of the soul, so poignantly that I felt that I really gained some knowledge about myself by reading about Rosie, Elizabeth, Rae, and James.

Anne Lamott is one of my favorite authors. This is the first novel I read by her and was a bit disappointed. This story is about a 13-year old girl who plays tennis and her mother who struggles with depression and is a recovered alcoholic. The mother is remarried but still grieving for her first husband who dies in a car accident.
