Dark Winter is a book that has been sitting waiting on my Kindle for what seems like an eternity! This means that I am way behind everybody else with Mark's Detective Aector McAvoy series as Dark Winter is the first in a series of six. I was initially drawn to this book because it is set in Hull and written by a Hull author.

The Black Winter is a multiversal cosmic entity that fulfils a similar purpose to Galactus on a far larger scale - rather than simply devouring planets, it consumes entire universes. The Black Winter devoured the sixth iteration of the cosmos, leaving only a single survivor - Galan of Taa, who it chose as its Herald. Known vaguely to the Asgardians as the Fimbulwinter, its coming is ...
