### Diplomacy In Japan Eu Relations

This book analyses the development of the political and diplomatic relationship between Japan and Europe, and shows that – especially during the Cold War years – whilst they share a wide range of political values and goals, the quality of diplomatic relations has often been sacrificed to both overcome trade issues and as a result of systemic factors.

### Diplomacy In Japan-EU Relations: From the Cold War to the ...

Focusing on the institutionalization of relations between Japan and the EU, this book examines both the historical-diplomatic dimension and political-strategic discourse. It traces the historical development of the relationship from the post-war years, to the signing of the Japan-EU action plan in 2001, which marked a key turning point in the relationship.
