Effective Papers: Research Paper on AIDS

For example, a few characteristic features of an effective position paper include analytical reasons and evidence to support the writers stance, a clear indication of why the topic matters, and attention to differing point of views with logical counterarguments.

Characteristics Of An Effective Position Paper - 826 Words ...

Tell students upfront what you will be looking for in their papers. Then keep this focus in mind when formulating comments on each paper. If you're concentrating on argument, provide direct feedback on each student's argument. For example: "Your argument is strong, clearly stated, and supported by ample evidence."

Effective Papers: Term Paper on Unemployment

Most research papers fall into one of three categories: analytical, expository, or argumentative. If you're presenting an analysis of information, then your paper is analytical. If you're writing to explain information, then your paper is expository. If you're arguing a conclusion, then it's argumentative or persuasive.
