Entering Night Country: Psychoanalytic Reflections on Loss ...

Clinical vignettes and personal reflections intersect with motifs from the epic poems and fantasy fiction, where the despair of loss and trauma do not extinguish the wish for change and the search for intimacy. Entering Night Country. highlights the common themes that arise for patient and analyst as any person entering an unknown territory. It is intended for psychoanalysts, psychoanalytically oriented psychotherapists, and mental health clinicians.

Entering Night Country: Psychoanalytic Reflections on Loss ...

Entering night country : psychoanalytic reflections on loss and resilience. [Stephanie Brody] -- None of us will escape the experience of personal loss, illness, aging, or mortality. Yet, psychoanalysis seems to shy away from a discussion of these core human experiences.
