### European Privacy IAPP

While the General Data Protection Regulation (GDPR) promises to unify the approaches of the EU member states, it brings forth challenges as organisations work toward compliance with this robust and comprehensive regulation. Based on the body of knowledge for the Certified Information Privacy Professional/Europe (CIPP/E) certification (ANSI accredited under ISO 17024:2012), European Data Protection is the essential text on the GDPR, pan-European, and national data protection laws.
