Exploring Storyboarding (Design Concepts)

Game Design Artist Lauren Walsh looks at storyboarding as "essentially a sketch before the finished product which allows the artist to be creative without any boundaries. It is in this "sketch" phase when an artist can explore many different concepts, themes, environments and storytelling tools as they convey their idea to the team.

Storyboard Artist 101: The Complete Guide to Beginners

A Wrinkle in Time explores many abstract concepts about freedom, individuality, and choice. These themes are applied both to the individual characters and to entire societies and governmental structures. Students can better understand the importance of these ideas and connect with the text by exploring these concepts in their own lives and the world around them.

3. Concepts for Storyboarding. I like to use Concepts to place the sketches in a neat storyboard because of its infinite canvas interface. I like to create a simple linework panel based off my rough Procreate sketches, and Concepts' vector system makes it easy to move panels around, edit shapes and align elements. 4. Photoshop for Final Art.
