Collect the workbooks and record grades all at once for several assignments by flipping to the page numbers that students completed. You can even have students fold down the page corners to help you find them more easily. This process is much more efficient than collecting workbooks or journals after every single assignment.

In first grade we assess their ability to read nonsense words. This can be confusing for students, so I used Buncee to create nonsense word fluency sorts to practice reading real vs. nonsense words. This is done during word work time as well. We also read as a group from the Buncee I make each week to review nonsense words.

From the front of the classroom, place six pairs of cards on the flip chart or whiteboard. Place the cards face down in four rows and three columns. Ask a student to come to the board and select 2 cards. Ask the students if the 2 cards make a pair. If the 2 cards do not make a pair, then return the cards to the board.
