4 Fundamental Management Tasks Essay - 2764 Words

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Management - Wikipedia

1 -. 1 - While the importance of managerial roles varies depending on a manager's position within an organization, the differences are of degree and emphasis, not of function. As managers move up the organization, for example, they spend less time supervising and more time planning. All managers, however, make decisions and plan, lead, organize, and control.
