General Product Care

To keep your answering system working and looking good, follow these guidelines:

- Avoid putting it near heating appliances and devices that generate electrical noise (for example,

Product Overview

Advanced DECT 6.0 technology operates on the 1.9GHz frequency band. Uniden DECT incorporated unique "listen before transmit" technology that avoids interference with many household products, such as baby monitors, microwaves and WiFi. As a result, these phones offer enhanced voice clarity and crista
