### Ground Up A Novel Michael

"Ground Up is a rare breed—a sparkling work of light satire written by a ridiculously talented man. The book starts out funny, keeps being funny, then actually gets funnier. There is not a wasted word, not one lame passage. Mr. Idov likes to say that he is not a 'serious' writer.

Ground Up's narrator is a voice and sensibility I'd follow into any story, any neighborhood. There's talent here of the Nabokovian kind, wrestling truth, love, and mordant wit from delightfully misguided dreams. I loved every word... Ground Up made me laugh out loud at least a handful of times. I look forward to reading more from Idov. Since I am in the throes of a business upstart, I did not find this story uplifting. Slightly honest and replete with humor found amongst disaster, this is a good read. I did finish the novel in the throes of the flu, however :)

### THE ROAD TO SLEEPING DRAGON by Michael Meyer | Kirkus Reviews

From the Ground Up is part candid memoir, part uplifting blueprint of mutual responsibility, and part proof that ordinary people can do extraordinary things. At its heart, it's an optimistic, inspiring account of what happens when we stand up, speak out, and come together for purposes bigger than ourselves.
