Toyota Engine Gasket Set | CarParts.com

3 reviews of Heads Up "We brought our head from a 88 Toyota truck (22re engine) to heads up to originally only be machined, but by the end we ended up having them machine the head, lap the valves, change the heli coils, clean everything, and they also welded some pitting in the aluminum for free. My husband was super happy with the work they did, it was precise, fast and affordable.
