in the IB Diploma Programme. Grade descriptors consist of characteristics of performance at each grade. The descriptors apply to groups of subjects but substantial similarity exists across sets of group grade descriptors. Senior examiners use these grade descriptors when determining grade boundaries for examination papers and coursework components.

Grade descriptors - International Baccalaureate

IB students are evaluated externally, two ways. One way is through the internal assessment lab report, which accounts for 20% of the overall IB score. The second way is through the external assessment, which consists of three papers or exams. Each paper has a different format and content by which you are evaluated.
