Sure, you probably won't find the instructions for your old cathode ray TV from the 70s, but the manuals for a lot of stuff from the early-2000s are out there. For example, I was able to find the instruction booklet for the Game Boy Advance which came out in 2001. The biggest issue you'll face is simply tracking down the right instructions.

My lust for books that are about motherhood has led me to "Operating Instructions: A Journal of My Son's First Year" by Anne Lamott. This book chronicles the experience of Anne's first year as a new mother. A single mother. Anne wries boldly. Possibly because she did not intend to publish her personal journal. However, I am glad that she did.
