Introduction To Cas Chemical Abstracts Service Cas

CAS is rooted in the publication Chemical Abstracts TM (CA), a journal of the American Chemical Society first published in 1907. The purpose of CA was to help scientists benefit from the published work of their colleagues around the world by monitoring, abstracting and indexing the world's chemistry-related literature.

CAS History | CAS

Growth of Chemical Abstracts. The early history of Chemical Abstracts is the story of Evan J. Crane, who served as editor for 43 years. Crane succeeded John Miller, editor for a brief time in 1914 following Austin Patterson's resignation. Crane joined Chemical Abstracts in 1911 at the age of 22 as an associate editor; he became acting editor in 1915 after Miller's resignation.
