It's fun to draw robots and aliens (Book, 2014) [WorldCat.org]

by Matt | People. In this drawing challenge, we'll take a look at drawing a classic robot. Okay, I know this isn't a person even though it is categorized under people. This robot is one of those "boxy" types that's more like a toy instead of a menacing one that is set on taking over humankind. Drawing a robot like this one is relatively easy since we'll be using simple shapes to build up the structure.
