Ktm 525 Exc Racing User

I just picked up my KTM 525 exc today..Rode it about 30 miles..Even though I'm breakin it in, this bike has a lot of power. It's quite snappy. Great low end. Climbs large hills with ease. Had it going 78 miles an hour at half throttle on dirt road..The bike is so light feeling, great torque. KTM did everthing right with this bike.
