We rate the claim that COVID-19 was caused by eating animals partly false because some of the claim is not supported by our research. While it is true that many infectious diseases that have ...

Coronavirus fact check: Is COVID-19 caused by eating animals?

Medieval cuisine includes foods, eating habits, and cooking methods of various European cultures during the Middle Ages, which lasted from the fifth to the fifteenth century. During this period, diets and cooking changed less than they did in the early modern period that followed, when those changes helped lay the foundations for modern European cuisine.
