under the watch of the obsessive Dr. Emil Flechsig (Bob Cucuzza). Schreber's insanity was characterized by startling delusions, all chronicled in his journal, including a belief that he directly communicated with God through a secret "nerve language," and a desire to transform himself into a woman.

SCHREBER'S *Memoirs of My Nervous Illness* must be the most written-about document in all psychiatric literature. Over the years, a huge bibliography of books and articles— chiefly in German and in English—has accrued. Successive generations of psychiatric writers have used the book as the nub of successive theories.
