The United States is in actuality not a nation of black people and white people. It is a nation of multicolored people. There are white Americans so to speak and black Americans. But any fool can see that white people are not really white, and black people are not black. They are all interrelated one way or another.

The biggest controversy coming out of 2019's "Avengers: Endgame" was the untimely demise of Scarlett Johansson's Natasha Romanoff, aka Black Widow. In order to retrieve the Soul Stone from the planet Vormir, Black Widow sacrificed herself, disappointing countless fans as the first female Avenger was left out of the final battle against Thanos.
