As of June 29, 2020, GS1 US has acquired the Color and Size Codes from NRF. The Color and Size Codes give retailers, vendors, and manufacturers a common language for product color and size identification that supplement the master data conveyed by sharing U.P.C.s. The color and size codes are only available electronically, either from a GS1 US Solution Partner (OpenText, InterTrade, or SPS Commerce) or through a one-time download through the GS1 US website.
