Organizing your lab notebook - Chemistry Lab Resources

...

Laboratory records are to be kept in a bound notebook (i. e., secured with glue), not a spiral notebook or a loose-leaf binder. The pages are to be consecutively numbered. No pages are ever to be removed (except for the copies produced by duplicating notebooks). All entries are to be made directly in the notebook in black or blue ink.

The Laboratory Notebook | Chem Lab

A teaching lab may require tear-out duplicate pages for making carbon copies. An engineering or industrial research/development lab will likely require a specific type

...

It's a spiral bound lab notebook that has duplicate pages for copies. Mine says 'Chemistry' on it instead of 'Physics' but honestly who cares. I get to save \$\$\$ instead of buying my school's official lab notebook. And let's be honest most of us will be throwing this book away/recycling it after we're done with our intro to whatever classes anyways.

...

Introducing the Electronic Lab Notebook (ELN) ELN stands for Electronic Laboratory Notebook, but it spans far beyond just a replacement for paper. It brings forth systematical, safe, and efficient data storage along with interoperable data distribution. The majority of the recently-developed ELNs are set up as cloud-based software (like Dropbox).
