If you are looking for
Indie books, Bibliotastic
provides you just that
for free. This platform
is for Indio authors and
they publish modern
books. Though they are

Where To Download

not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.
