### **The Book Thief: Plot Overview | SparkNotes**

The Book Thief weaves a consistent thread of humanity through its narrative via the commonality of Death, storytelling and the concept of free will. The disturbing sight of children in Hitler Youth uniforms and Allied blanket bombing, when shown through the innocence of a child, humanises the German generation just living their lives without the hindsight of history.

### **The Book Thief (film) - Wikipedia**

The Book Thief is a novel that is at times quirky and light-hearted and at other moments, a poignant reflection upon the beauty and cruelty of human nature. The novel is set in the shadow of World War II and follows the story of a young girl, Liesel Meminger, and her struggle for knowledge, understanding and survival.

But if the book was a peacock, then the movie version must have been a pigeon. Using Death as the story's narrator, *The Book Thief* follows the life of Liesel Meminger, a young German girl who is sent to live with foster parents after her Communist mother flees the country during Hitler's rise to power. After some initial resistance she manages to find love for her new family, especially her accordion-playing papa, Hans Hubermann, who gives her the magical gift of literacy.

To start off, my favorite genre of books are war novels. They show you reality, and show you that you should appreciate what you have, which is a good life. The first book is called, The Book Thief By Markus Zusak, and the second book is called, All Quiet on the Western Front By Erich Maria Remarque. These two books have a lot in common and yet a lot in difference.

Literary critic Harold Bloom's *The Western Canon* is more than a required reading list—it is a vision. Infused with a love of learning, compelling in its arguments for a unifying written culture, it argues brilliantly against the politicization of literature and presents a guide to the great works of the western literary tradition and essential writers of the ages.
