Making it to a perfect credit requires planning and consistency. You'll have to follow the recommendations for improving your credit for decades to achieve truly perfect credit. Try to make responsible credit use a habit that you don't even think about. Pay your bills on the same days every month and track your expenditures and income carefully.

How to Get a Perfect Credit Score: 12 Steps (with Pictures)

Your utilization ratio should be 25-30% for a good credit score, but closer to 0% for the perfect credit score. All in, the debt-related category accounts for roughly 30% to 35% of the points in your FICO and VantageScore credit scores.

The Perfect Credit Score: Is It Even Possible? (2020)

The first step in how to improve your credit score is getting an accurate picture of where you are and setting realistic goals for the next 12 months. Begin by getting a detailed credit report from each of the national bureaus — Equifax, Experian and TransUnion. Each bureau uses a slightly different calculation system for your score and may ...

A 12-Month Plan to Raise Your Credit Score in 2020 | The ...

To build a credit score from scratch, you first need to use credit—such as by opening and using a credit card or paying back a loan. It will take about six months of credit activity to establish enough history for a FICO credit score, which is used in 90% of lending decisions. FICO credit scores range from 300-850, and a score of over 700 is ...
