History. The division of property into real and personal represents the division into immovable and movable incidentally recognized in Roman law and generally adopted since. "Things personal," according to Blackstone, "are goods, money, and all other movables which may attend the owner's person wherever he thinks proper to go" (Comm. ii. 16). This identification of things personal with movables ...

Personal property: Chattels. The term chattel sometimes refers to all kinds of personal property, but often it refers only to tangible personal property (such as nose flutes and toenail clippers) as opposed to intangible property.. A chattel, such as a furnace, can be affixed to land and become part of the real property. Such chattels are called fixtures.
