You only need Spirit Tap from Shadow, everything else in there is gravy for leveling until 40+. There is even a Smite focused build that performs better than hard shadow until level 40, and even though it's strictly wrong to not take 5/5 Wand Specc and let your wand carry you, if you were determined to level a Priest without a wand focused playstyle, you'd go Holy/Shadow hybrid. But that's like being determined to level a hunter with no pet.

Priests are efficient, consistent, strong levelers offering one of the smoothest rides to 60 out of all the classes. They are highly desired in groups as they have outstanding healing capabilities, excellent group utility (Buffs, Mind Control, Resurrection), and solid damage. This is the best healing class for PVE and very good for PvP.
