TROPICAL RAINFOREST - TROPICAL RAINFOREST. TROPICAL RAINFOREST. Dear Parents, We are beginning a unit on the Rainforest. We think it is important to learn because it includes different elements of culture, history, and environmental awareness. We believe teaching middle school students about the rainforest will teach them to be advocates of the world around them and take responsibilities of their actions.

The rainforests are also considered to be the 'World's largest drug store', because of how the rainforest has provided us with over a quarter of all the natural medicines we have discovered. What you must also remember is that the rainforests on earth create around 30% of all the oxygen in our atmosphere, the same oxygen that we use to breathe.
