Record Keeping Tools for Small Fruit and Vegetable Farms

Compact varieties: If you must have a giant beefsteak tomato or a row of sweet corn, the space for growing other vegetables in your small vegetable garden will be limited. But even then, you can choose varieties that are bred to grow in small spaces. Anything with the words patio, pixie, tiny, baby, or dwarf in the name is a good bet. Just because a plant is bred to be small doesn't mean the ...
