21 Small House Interior Design Ideas - How to Decorate a ...

The design of this small apartment created by McCRUM offers smart solutions, but composing a bookshelf unit that separates the functional zoning of the place and introducing a rotating bit that enables the TV to be watched both from the sofa and the bed is a very functional approach. In a studio apartment, while dividing your space, you can make the room divider function as a second thing too like this room divider also serves as a shelving unit and a wall for TV.
