(The fifth edition was published in 2011.) But they would not be able to demand this price if instructors did not keep using this book to teach their technical editing courses, so in that regard I can't really blame Amazon or the publisher. Our instructor went so far as to apologize to us for the book's heavy emphasis on paper editing.

Technical Editing (5th Edition): Rude, Carolyn D., Eaton ...

According to Carolyn Rude and Angela Eaton, co-authors of Technical Editing, a technical editor is an expert on communication, language, and the needs of the audience. A good editor has the ability to evaluate the big picture as well as the fine details and can play a key role on documentation projects.
