of high transparency, good mechanical strength and rigidity as well as an excellent chemical and stress cracking resistance. Terlux® 2802 HD is in compliance with Pharmacopoeia and Biocompatibility-Tests in Europe and United States as specified below.

Terlux® 2802 HD - Product Datasheet

Product Description

Download File PDF Terluc 2802

Terlux® HD 2802 is a standard injection molding grade based on a MABS polymer. Terluc® HD 2802 offers an unique combination of properties, such as a balanced stiffness/toughness ratio and the high transparency well known in SAN molding compositions.
