The Mosaic Constitution Political Theology

The first book to place Hebrew scripture at the cutting edge of seventeenth-century literary and political innovation, The Mosaic Constitution offers a fresh perspective on political theology and the relations between literary representation and the founding of political communities.

Amazon.com: The Mosaic Constitution: Political Theology ...

Political theology is more than just a synthesis of religion and the state. From the perspective of the Mosaic constitution, it concerns an ongoing entanglement and antagonism between two discrete discourses and styles of thinking—politics and theology—that should by all rights have little to do with one another.

The Mosaic constitution : political theology and ...

For political thinkers and literary writers alike, it was this literary dimension of the Mosaic constitution that turned political theology into a source of political invention. Taking Mosaic narrative as a case study for anatomizing the persuasive force of religious belief, early modern writers strengthened the bond between religion and the state at the very moment that they recognized religion to be an imaginative fiction and a textual construction.

Political Theology and Early Modernity by Graham Hammill ...

Judaism, Liberalism, and Political Theology provides the first broad encounter between modern Jewish thought and recent developments in political theology. In opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order, the essays in this volume propose a new and richly detailed engagement between Judaism and the political.
