BBC - History - Thomas Hobbes

Thomas Hobbes (1588 - 1679) was an English philosopher of the Age of Reason. His famous 1651 book "Leviathan" and his social contract theory, developed during the tumultuous times around the English Civil War, established the foundation for most of Western Political Philosophy.

Thomas Hobbes > By Individual Philosopher > Philosophy

Thomas Hobbes: Moral and Political Philosophy. The English philosopher Thomas Hobbes (1588-1679) is best known for his political thought, and deservedly so. His vision of the world is strikingly original and still relevant to contemporary politics. His main concern is the problem of social and political order: how human beings can live together in peace and avoid the danger and fear of civil conflict.
