The present educational system is damaging to young people. If it doesn't serve to help young people learn, it should at least adopt the rule of doing no harm.

### The First Rule Of Education Should Be: "Do No Harm"

AAFP: This Enduring Material activity, First Do No Harm: Safe and Effective Management of Pain, has been reviewed and is acceptable for up to 2.50 Prescribed credit(s) by the American Academy of Family Physicians. AAFP certification begins 10/31/2019.

### First Do No Harm: Safe and Effective Management of Pain

Do No Harm is a powerful, encouraging start to expand the conversation about medical student and physician suicide beyond our profession - and into the broader community." — Thomas Madejski, MD President Medical Society of the State of New York

### Do No Harm

So you can't tell ahead of time whether a test or treatment will "do no harm." Your diagnosis is serious — for example, an inoperable cancer — and treatment can only cause harm. Here, the "first, do no harm" mandate is irrelevant again. The only reasonable course of care is to offer comfort, support, and relief of suffering.

### First, do no harm - Harvard Health Blog - Harvard Health ...

"First, Do No Harm" takes what could be an overused trope (the spooky list of rules) and turns it into a nuanced, character-driven story about learning to let go of the past. There's no shortage of blood and gore here - McGrail succeeds in creating that atmosphere of horror from the get-go - but the characters are where his talents really shine.
