OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

Why Write When You Can

Writing gives us a chance to turn the tides on consumerism. Rather than consume more, we can make something. Isn't that exciting? Every day, when you put your fingers to the keys, you're creating something. And then, with the click of button, you can share it with the world. Humans have a built in need to make our mark on the world.

Why We Write: Four Reasons - The Write Practice

It takes time to write and often times you can edit and then share the views with the world. Writing helps see your thoughts clearly. Most of the time the stories are buried and you are afraid to share them. Writing helps you see the clarity in your thinking.
