### Amazon.com: Writing Psychological Reports: A Guide for ...

When writing your report, resist the temptation to play up the test you favor and downplay the one with divergent results, he advises. For example, someone might score high on a performance-based measure of interpersonal dependence, like the Rorschach test, but low on a self-report measure of interpersonal dependence, says Bornstein, one of the editors of "Multimethod Clinical Assessment" (Guilford Press, 2014).
